

California OES Weather Threat Briefing

Saturday, July 25, 2020
9:00 AM PDT

- **Day 1 (Saturday):** Isolated afternoon and evening thunderstorms are expected over the central Sierra today.

National Weather Service
Western Region Headquarters
Regional Operations Center
Salt Lake City, UT

WEATHER KEY POINTS

07/25/20 - 07/31/20

Saturday-Monday

- Isolated afternoon and evening thunderstorms continue across mainly the Sierra through early next week
 - A few stronger storms with localized high wind gusts and brief heavy rain possible
 - A few new fire starts possible due to lightning
 - Additional storms possible across northern coastal CA on Sunday and Monday
- Localized elevated fire weather conditions due to dryness and terrain impacts on wind speeds, especially across northern inland CA
- Moderate heat impacts return across Inland areas of northern CA on Sunday and Monday.

Tuesday-Friday

- Low to moderate heat impacts continue for Southern region
- Localized elevated fire weather conditions due to dryness and terrain impacts on wind speeds
- Otherwise fairly quiet weather for much of next week
